On-site Activities at Trent’s Main Campus

Our new Trent Community Sports and Wellness Center houses an indoor swimming pool, heated therapy pool, rowing tank, double gymnasium, weight room, cardio training equipment, rock climbing wall, squash courts, and multipurpose facilities. Access is available to our delegates by purchasing a day pass or by private booking in advance. For weekend dates we would need to make specific gym or pool bookings the cost would be determined on a per hour bases. However, Trent has many large open spaces that would be available free of charge as well.

Nearby attractions

Peterborough is home to many wonderful attractions expressing the unique character of this area, such as the Canadian Canoe Museum, Peterborough Liftlock Cruises, and Petroglyphs Provincial Park. Just down the road from Trent is the lovely Peterborough Zoo, a wonderful family-oriented attraction, open to the public daily free of charge. The downtown district features an eclectic mix of chic stores, funky restaurants, and historic buildings. Regarded as Ontario’s most scenic universities, Trent also offers an extensive network of hiking and biking trails through the nearby wildlife refuge and beautiful Otonabee River.
